

AMP-LE-S2 & AMP-LE-F2 DOOR STATIONS

The AMP-LE-S is a 2 button stainless steel door station for use with the various Aiphone audio intercom systems. Manufactured from marine grade 316 stainless steel, it is available in both flush and surface mounted versions.

The AMP-LE-S has loudspeaker/mic and is designed for outdoor use, even in the harshest environments.

The engraving for the call button and logo can be tailored for your own specific needs as can the physical size of the unit.

AMP-LE-S2
