AW I 545 3-15 metres

Combined cabinet base camera poles

The Altron AW I 545 range of combined cabinet base camera poles are designed for town and city centre use - where equipment needs to be housed within one unit that is both aesthetically pleasing and functional. Available in heights from 3-15m and as both fixed and tilt-down versions.

Standard Equipment

Secure locks and high security lock, treated base board, venting, earthing lugs, heavy duty gasket sealed door, column spacer, padlock facility (on tilt-down models), anchor bolts and templates.

Features

- Designed for urban installations where an aesthetically pleasing and high specification pole is required
 - Houses equipment inside pole making a neat and secure installation
 - Full convection ventilation eliminates condensation
 - Tilt-down option for easy access and servicing of camera equipment at ground level by one man
 - Stable mounting platform for CCTV pan and tilt and larger dome cameras
 - Durable and low maintenance – all materials and components are non corrosive
 - Demountable winch (on tilt-down) for secure installation and reduced cost in multiple installation
 - Cabinet door is heavy duty flush and close fitting with secure and high security locks
 - Cost savings where separate cabinet would otherwise be used
 - All Altron camera mounting bracketry fits directly to pole top
- Full range of Altron accessories for a complete and professional installation
 - Pole can be padlocked internally for increased security on tilt-down version

Design & Manufacturing Standards

- Manufactured from high tensile steel to BS 4360 43C/50C/43A, EN 10219 S275J2H S355J2H
- Hot dip galvanized to BS 729 (1971), ISO 1461 (1999) after fabrication
- Welding procedures conform to BS 5135
- Design wind loadings based on CP3 Chapter V Pt 2 (1972) & BS 6399 Pt 2 (1997)

Accessories & Options

- Enlarged cabinet, 500 square, 600 square (standard is 400 square)
- Twin compartments
- 4 point high security locking mechanism
- Cellular base station variations (microcells)
- Internal washer bottle housing and internal conduit containment
- Lighting arms for street lighting
- Ornate dome mounting brackets
- Decorative banding
- Cast embellishments
