SPECIFICATIONS

Model Number

ADCMU Mount for Fixed Cameras, 180° Tilt
W/ Two Mount Heads

Features

- 180° degree tilt
- 1/4-inch x 20 threads throughout
- All parts interchangeable
- Powder-coated gray finish
- All steel construction
- Weight capacity: 10 lbs
- Adjustable from 4-inch to 6-inch
- Base plate 2 3/8-inch diameter
- Each set includes two 2-inch shafts, 2-inch X-base, 1-inch base extender, 2 3/8-inch round base, two mounting heads

The ADCMU universal camera mount can be used in a variety of applications, eliminating the need to purchase different camera mounts for each situation. The interchangeable parts allow for customization in 24 different combinations. Two mounting heads are included and are adjustable with up to 180° of tilt; therefore two cameras can be mounted with just one kit. A drop ceiling “X” clip and free standing wall mount base are included.
