COLOUR

EV 90/CPA

- EV 90 detector case containing colour camera with pinhole lens and audio

One of a range of PIR cameras designed for the professional security installer using the latest miniature camera technology.

- An ideal camera for detecting rather than deterring crime
- Excellent picture quality
- Low cost
- Ideal for use where EV 90 detectors are already installed
- Small, discreet case designed to blend inconspicuously into any residential environment
- Camera views through tiny 1.5mm diameter hole for maximum discretion
- Comes with pre-focused (1m - ∞) factory-fitted lens
- Ideal for the video verification of alarms
- Simple and speedy to install
- Comes with free audio capability
- Comes with lint-free cleaning cloth to remove grease and dirt from case and lens

- 1/4" CCD
- 350 TV lines
- 10.0 lux sensitivity
- Supply voltage: 12 Vdc
- Audio output: 1V p-p

Lens option	
Lens	Product Code
3.6mm pinhole	EV 90/CPA
