HP V193 18.5-inch LED Backlit Monitor

Get quality presentation features at a price point that doesn't break the bank with the HP V193 18.5-inch LED Backlit Monitor, a sleek, thin-profile monitor in a compact, space-saving screen size with an unbelievably low price point.

Business-class presentation features.

Enjoy crisp, clear views of your documents and e-mail with 1366 x 768 resolution, 5M:1 dynamic contrast ratio, and 5 ms response time on an 18.5-inch diagonal screen.[1] Quickly and easily connect to your devices with a VGA input.

Affordable, stylish, and compact.

Make a good impression and leave plenty of room on the desk with a design that complements HP PCs and has a small footprint. The internal power supply also helps keep your workspace tidy.

Designed with the environment in mind.

Reduce power consumption and help lower your costs with an intelligent, energy-efficient design that is ENERGY STAR® qualified and EPEAT® Silver registered.[2] The display also includes mercury-free display backlights and arsenic-free display glass.

HP V193 18.5-inch LED Backlit Monitor

Recommended Accessories and Services

HP Adjustable Dual Display Stand

The HP Adjustable Dual Display Stand allows you to use two displays to maximize your productivity and optimize efficiency. Either or both displays can be rotated to landscape or portrait orientation, and the stand is depth-, height-, tilt-, and angle-adjustable so you can view both screens at eye-level as well as slightly facing each other, letting you track multiple applications and information sources at the same time. Integrated base rollers let you rotate the stand so you can more easily share your work.

Product number: AW664AA

HP LCD Monitor Quick Release Mount

A secure and easy-to-use mounting solution for your VESA-compliant HP thin clients, compatible HP flat panel monitors and other HP desktop products. Attach to any a compatible stand, bracket or wall mount and make the most of your workspace.
