

# LTC 1271 Series Corner Phortress Cameras

- High Security Phortress Design
- Withstands 50 kg (120 lbs) of Direct Force on the Polycarbonate Dome
- Integral Color, High Resolution Camera with Wide Angle, Varifocal Lens
- Standard White Finishes
- ▶ 24 VAC with Line-lock & Phase Adjust
- All-in-one Package with No Separate Corner Bracket Required

As an extension of the MiniLine products, Bosch offers a corner-mounted indoor version of the high security grade, aluminum Phortress. The LTC 1271 Series Corner Phortress offers the same camera protection with a discrete design that works well in most indoor corner applications.

Its sleek design and small, inconspicuous appearance allow for an attractive look that complements most decors.

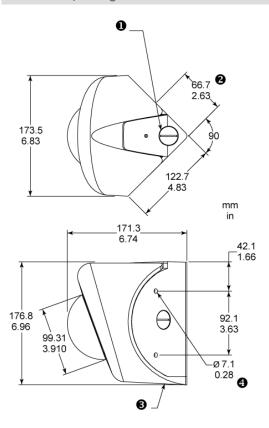

#### **Functions**

The camera can mount flush to the ceiling, or it can be wall mounted below ceiling level. It comes in a standard white finish for use in lobbies, elevators, and other design-specific locations.

The Corner Phortress includes a full featured camera/lens combination in a cast aluminum housing (with the strength of 10 gage steel) and polycarbonate bubble that can withstand the equivalent of 50 kg (120 lbs) of force. The unit can also endure 125 kg (300 lbs) of weight, if an attempt was made to pull the unit down from a masonry wall, provided that the recommended mounting bolts are employed.

The Phortress's flexible varifocal camera makes it an ideal replacement for traditional camera installations, where extra security is required.

### Installation/Configuration Notes

#### Dimensions

- 3/4-inch threaded conduitOpening 1 of 3.2 plugs supplied
- 2 Hole location both sides
- Closure secured with tamper-resistant screw. Driver bit supplied
- 4 2 Holes each side

### **Parts Included**

#### Quantity Component

1 LTC 1271 Series Corner Phortress Camera

#### Mechanical

#### Cable Entry

Through one of three 3/4-inch conduit knockouts.

Two plugs provided. Set screw located at top of housing to secure top conduit plug

#### Mounting

Mounts on wall using four (4) 6 mm (1/4- inch) screws. Cover is secured with one tamper-resistant screw. Driver bit is provided

#### **Construction Finish**

Polycarbonate dome on cast aluminum housing. White finish

## **Dimensions**

See dimensional drawing.

#### **Environmental**

Rated for indoor use.

Operating Temperature -10 °C to 50 °C (14 °F to 122 °F) Storage Temperature -20 °C to 50 °C (-4 °F to 122 °F) Humidity 0% to 90% relative, non condensing **Electromagnetic Compatibility** 

CD Immunity, FCC Class A **EMC requirements** 

Safety UL, cUL, CE

#### **Ordering Information**

#### Model | Description

LTC 1271/10C Corner Phortress Camera

1/4-inch color PAL, corner mount, lt. tint, 480 TVL, 12 VDC/24 VAC, 50 Hz, w/2 - 4 mm, auto iris varifocal lens, white

LTC 1271/20C Corner Phortress Camera

1/4-inch color NTSC, corner mount, lt. tint, 480 TVL, 12 VDC/24 VAC, 60 Hz, w/2 - 4 mm, auto iris varifocal lens, white

#### **Hardware Accessories**
