

Perla

Hands-free, wall-mounted video entry panel with intercom

The Perla wall-mounted video entry panel with 3.5" LCD colour display and full-duplex hands-free audio offers excellent audio and video quality while consuming very little energy. With its soft elegant lines and its ergonomic controls the Perla is easy to use, yet stylish in appearance. Available in Ice white and Fusion black, Perla can adapt to any setting in the home.

Functions

- 3.5" LCD colour display
- Full-duplex, hands-free audio
- Door release
- Muting/reactivation of audio during conversation
- Self-connection of video from entry panels, with cyclic selection
- Controls for activating auxiliary functions
- Ring tone disabling, with indicator light
- Eight different lines for intercom facilities
- "Panic" button to call the Porter for assistance
- Ring tone volume adjusts over three levels (low, medium, high)
- Brightness adjustment
- Colour saturation adjustment
- Programmable melodies for calls from entry panel and stair landing
- Different melodies for calls from intercom and Porter
- Programmable number of rings for calls from entry panel
- Powersave video switching function switches between receivers connected simultaneously

Installation

The Perla video entry panel installs easily and quickly, thanks to its compact size and adjustable mounting bracket included in the package, which can be used with a standard single gang back box if required. Please note if a back box is not used, suitable provision for excess cable must be made on the mounting surface.
