

12V DC Power Supplies

DA665/8

A power supply that provides 8 x 0.5Amp 12V DC outputs. Each output is fused and is provided with internal LED indication.

The unit is intended for use with CCTV cameras. Metal Cased.

The above power supply is also available as 1 x 4A or 2 x 2A or 4 x 1A. i.e. DA665/1, DA665/2, DA665/4, DA665/8.

DA491

An In-Line power supply that provides a single regulated 12V DC 500mA output. The unit's mains and output leads are wire ended to allow easy connection to terminal blocks etc. ABS, wall-mountable, case.

This power supply is intended for CCTV use and its size makes it suitable for mounting inside a camera housing, space permitting.

DA492

As the DA491 but with a single regulated 12V DC 1A output.

Technical Information

12V DC POWER SUPPLIES Input voltage UK mains

All metal cases are finished in a white gloss powder coating.
All plastic cases are black flame retardant ABS.

MODEL No	DA665/8	DA491	DA492
Current (amps)	8 x 0.5A	1A	1 x 500mA
Voltage (nominal)	12V DC	12V DC	12V DC
Case	METAL	ABS	ABS
Dimensions mm W x H x D	145 x 230 x 45	70 x 102 x 60	65 x 115 x 45

These products are part of the wide range of items we manufacture for the security industry. We are constantly widening our range by adding new items as technology advances. Data sheets are available on request.

We also design & manufacture to customers special requirements.
