Arbitrary access on live pictures
On-screen alarm notification
Password protection

Specifications

Software Type	basic viewer and recorder for up to 16 eneo F-series cameras and servers
Software Categorie	Video Management, Freeware
Series	eneo F
Application	single user solution
Operation system	Windows XP, Windows 7, Windows 2003
System requirements	Intel Pentium IV 3.0 GHz, RAM 1GB or larger
Licensing type	free usage
Languages (client)	German, English
Alarm management	TCP/IP, eMail, sound output, notification to monitoring software
Alarm administration	yes
Control units (external)	mouse, keyboard
Site maps	yes
Multi monitor operation	yes
e-PTZ support	yes
Recording format	H.264, MPEG4

Specifications (continued)

Playback format	H.264, MPEG4
Recording settings	choosable per channel
Recording functions	event triggered, time triggered, permanent, motion detector, contact
Supported network suppliers	eneo F series
Supported video sources	network camera
Compression standard	H.264, MPEG-4
Managable video sources max.	16
Remote access	no
OPC connection	no
Analysis mode	no
Activity detection	yes
Object classification	no
Object tracking	no
Direction detection	no
Obstruction detection	no
Product training	available
Analysis functions	motion detection
ONVIF	no
Certificates	-
Backup	no
