

## VM-UHD43M

Article number: 217919

43" (109cm) LCD Monitor, 4K UHD, 3840x2160, LED, USB, DisplayPort, HDMI, DVI, VGA

Professional 43"(109cm) LCD monitor

Maximum resolution 4K UHD 3840x2160 pixels

Media player integrated (USB)

LED Back Light

Perfect presentation through digital 3D filtering and noise reduction

Built to run 24x7x365 continuously

Different video inputs DisplayPort, HDMI, DVI, VGA

Built-in speakers

Including stand

Metal housing (suitable for industrial use)

## Specifications

| Display:                       |                                                               |
|--------------------------------|---------------------------------------------------------------|
| Resolution                     | 3840x2160 (16:9)                                              |
| Synchronization                | internal                                                      |
| Aspect ratio                   | 16:9                                                          |
| Resolution pixels              | 3840x2160                                                     |
| Contrast ratio typical         | 1200:1                                                        |
| Response time typical          | 5 ms                                                          |
| Brightness typical             | 350 cd/m²                                                     |
| Backlighting                   | LED                                                           |
| Viewing angle vertical         | 178 °                                                         |
| Viewing angle horizontal       | 178 °                                                         |
| Screen size                    | 43"                                                           |
| Screen Size (cm)               | 109 cm                                                        |
| Pixel format                   | 0,2451mm x 0,2451mm                                           |
| Pixel fault class              | ISO 13406-2, Class II                                         |
| Video standard                 | PAL/NTSC                                                      |
| Features:                      |                                                               |
| Comb filter                    | 3D comb filter with de-interlace                              |
| Menu languages                 | English                                                       |
| Interfaces / Inputs / Outputs: |                                                               |
| Video inputs (type)            | VGA, HDMI, DVI, DisplayPort, composite (CVBS), USB2.0         |
| Audio inputs                   | RCA jack, 2                                                   |
| Serial interfaces              | no                                                            |
| General:                       |                                                               |
| Dimensions (HxWxD)             | 602x1002x100mm                                                |
| Mount                          | VESA standard 200x200mm                                       |
| Housing material               | metal                                                         |
| Housing color                  | black                                                         |
| Weight                         | 20kg                                                          |
| Loudspeaker                    | 2                                                             |
| Power consumption              | 100W                                                          |
| Supply voltage                 | 100 ~ 240VAC, 50/60Hz                                         |
| Temperature range (operation)  | -30°C ~ +85°C, @ Humidity 10%-90% (non-condensing)            |
| Scope of delivery:             |                                                               |
| Parts supplied                 | manual, IR remote controller, power cord, feet set, VGA cable |
