

DA-FM1600

Indoor Dome Flush(In-ceiling) Mount

LIGHTWEIGHT FLUSH MOUNT FOR RECESSED CAMERA INSTALLATION

The DA-FM1600 is a dedicated flush mount designed for recessed ceiling camera installations. Constructed with plastic material, it achieves a lightweight design of 0.25kg, enhancing installation convenience while minimizing ceiling load. Supporting installation diameters from 136mm to 142mm, it flexibly accommodates various ceiling opening specifications. The white finish provides natural integration with indoor environments, while the clean flush installation minimizes camera exposure and preserves spatial aesthetics.
