

16 Channel NVR with 2TB HDD

LTV-NVR-1630

- 16 Channel HD NVR
- max. 200fps realtime display rate
- Up to 200fps @ 1080p HD recording
- 30fps max
- 400fps realtime display rate
- up to 400fps @ 720p HD recording
- 30fps max.
- H.264
- IO: 4 + 2 in/4 + 1 out. HDMI, 2 xUSB, RS485
- ONVIF
- 2TB HDD incl. (2 HDD Sata slots)
- 12V power supply
- Remote control
- Dimensions (HxWxD): 5,5x43x30cm

Video	Input signal	16xIP-cameras (max. resolution Full HD 1080p)
	Main monitor resolution	BNCx1; VGA x1: 1080p (1920x1080); HDMI x1: 1080p (1920x1080)
	Motion detection	yes
Audio	Audio input	from IP-camera
	Audio output	RCA x1 channel
	Microphone	RCA x1 channel
Recording	Video compression format	H.265
	Audio compression format	G711A
	Speed	200 fps at 1080p, 400 fps at 720p/D1
	Resolution	1080p / 720p / 4CIF
	Bit-rate	from 2 Mb/s to 12 Mb/s
	Exported video format	AVI, own format
Replay	Speed	16 channels at 25 fps
	Search	motion detector, alarm input, schedule
Data storage	Internal HDD	2 HDD (SATA), max 3Tb
	External storage	-
Interface	USB	2xUSB
	Serial port	1xRS-485
	LAN	1xLAN
	Protocols	TCP/IP, UDP, DHCP, DNS, PPPOE, DDNS
	Users	up to 18 users
	Remote control	supported
	Alarm inputs	8 inputs
	Alarm outputs	1 relay output (built-in)
Physical characteristics	Power supply voltage	12V (DC), adapter included
	Power consumption	≤10W (less HDD)
	Operating temperature	0°C...+50°C
	Operating humidity	10...90%
	Dimensions (WxDxH)	430x300x55 mm
