KeyPAC Vandal Resistant Reader

- **Proximity technology**
- **Lifetime guarantee**
- **Easy to use**
- **Easy to install**
- **No moving parts**
- **Very reliable**

The KeyPAC Vandal Resistant Reader is an impact resistant proximity reader especially suitable for external use in hostile environments. It is attractively styled in either brushed stainless steel or brass.

Product guarantees

KeyPAC proximity readers carry a lifetime guarantee against electronic failure and are encapsulated in a highly durable resin so that they are suitable for interior and exterior use.

The KeyPAC Vandal Resistant Reader requires a Vandal Resistant Screwdriver (screws supplied).

Main operational features

To gain access the user must present a valid KeyPAC ID (identification) device to the reader. A green LED will light up when the lock has been released.
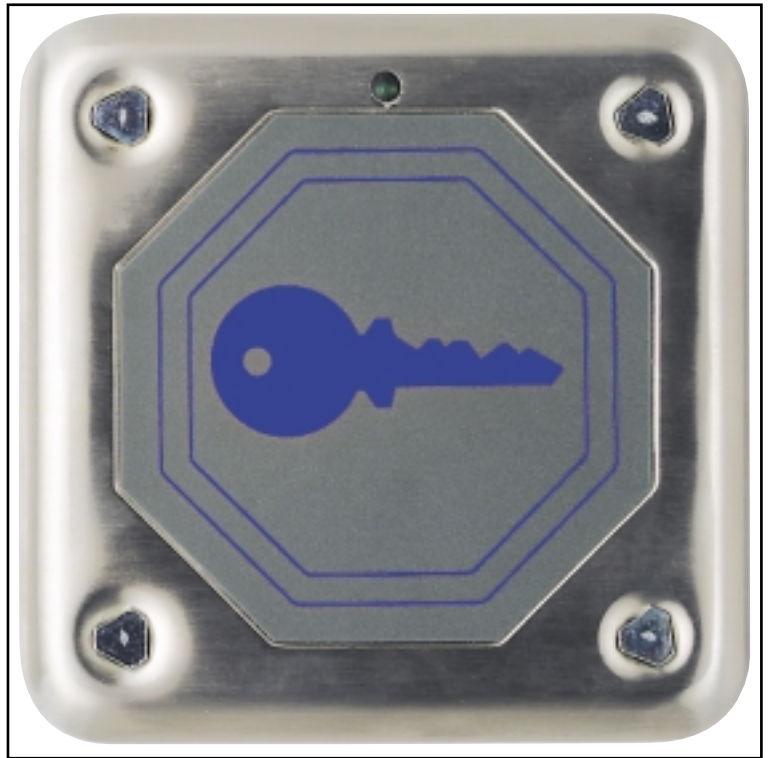

Reading range: 0-5cm
