# Keypad Telephones

## Part # 900-00000

Flush Mount Phone with Keypad

- Overall Dimensions: 12" x 6" x 2 1/2"
- Aluminum and Stainless Steel Construction
- Handset Composition: Lexan
- Vandal Resistant Construction

## Part # 900-00001

Surface Mount Phone with Keypad

- Overall Dimensions: 11 1/4" x 5 1/4" x 2"
- Aluminum and Stainless Steel Construction
- Handset Composition: Lexan
- Vandal Resistant Construction

### Features:

- Line Powered
- Vandal Resistant Handset with 36" Armored Cord
- Password Protected
- Fraudulent Call Deterrent Design
- Chrome Mechanical Hook Switch with Dual Micro switches S.P.D.T.
- Chrome Keypad
- Remotely Programmable with Any Touch Tone Telephone

### Optional Equipment:

- Volume Control Handset Kit
- Rubber Gasket for Outdoor Use
- Phone Checker Software

# Auto Dial Telephones

## Part # 900-00002

### Flush Mount Auto Dial Phone

- Overall Dimensions: 12" x 6" x 2 1/4"
- Aluminum and Stainless Steel Construction
- Handset Composition: Lexan
- Vandal Resistant Construction

## Part # 900-00003

### Surface Mount Auto Dial Phone

- Overall Dimensions: 11 1/4" x 5" x 2"
- Aluminum and Stainless Steel Construction
- Handset Composition: Lexan
- Vandal Resistant Construction

### Features:

- HookSwitch Activated Operation
- Line Powered
- Vandal Resistant Handset with 36" Armored Cord
- Password Protected
- Fraudulent Call Deterrent Design
- Chrome Mechanical Hook Switch with Dual Micro switches S.P.D.T.
- Remotely Programmable with Any Touch Tone Telephone

### Optional Equipment:

- Volume Control Handset Kit
- Rubber Gasket for Outdoor Use
- Phone Checker Software

# Hands-Free Telephones

## Part # 900-00004

### Flush Mount Hands-Free Phone

- Overall Dimensions: 8" x 5 1/2" x 3 3/8"
- Aluminum and Stainless Steel Construction
- Vandal Resistant Construction
- Push button Activated

## Part # 900-00005

### Surface Mount Hands-Free Phone

- Overall Dimensions: 9" x 5 13/16" x 2 1/4"
- Aluminum and Stainless Steel Construction
- Vandal Resistant Construction
- Push button Activated

### Features:

- Line Powered
- Vandal Resistant Stainless Steel Push Button Switch (Normally Open Contact)
- Remotely Programmable with any Touch Tone Phone
- Separate Speaker and Microphone Adjustment
- Interior/Exterior Use with Optional Gasket
- Password Protected
- Fraudulent Call Deterrent Design
