## HOME-VISION

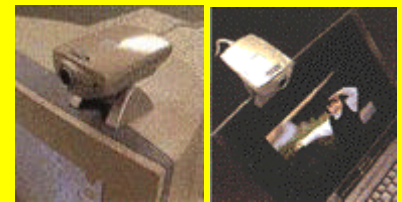

### PC based Home Security *Your Window To The World*

Home-Vision gives you INSTANT remote visual access to your home through the telephone line! Just dial in with your PC or notebook, and you can watch what is happening in your home, even when you are at work or on the move!

Monitor your young children, elderly parents, and anyone else - NO LONGER will you have to worry about what is happening in your home!

Home Vision uses The Third Eye V-Cam, which is connected to your home PC or laptop. Light-weight with many functions, V-Cam can also be used to take snapshots, create video-mail.... the list is endless!

*With Home-Vision, you will never be far from home!*

## Features of The Third Eye HOME-VISION Remote Viewing System
