

## SNCA-WP602

Weather Protector

---

### Overview

The SNCA-WP602 is a Weather Protector for use with the following Sony outdoor minidome cameras: SNC-VM632R, SNC-VM602R, SNC-EM632RC, SNC-EM602RC.

Helping to shade the camera from direct sunlight, the Weather Protector is particularly useful for outdoor installation in high-temperature environments. It also provides protection against rain and snow.
