

Video Processing and Customized to Scale Over Time

Benefit from scalable storage performance and video processing with the VSS-226 appliance. This 2U, 2-socket platform brings you scalability and performance to adapt to a variety of the most demanding and process-intensive video applications.

System Reliability

System reliability and high availability are guaranteed with redundant 1100W power supplies and RAID 5/6 storage options, while a three-year, on-site, next business day, Keep Your Hard Drive warranty ensures peace of mind.

Keep Your Hard Drive

With Video Storage Solutions' Keep Your Hard Drive warranty, your sensitive data and hard drive never leave your control. It also helps you comply with current data privacy regulations and internal company policies by ensuring sensitive information on your hard drive is not compromised, mitigating the risk of expensive civil litigation if confidential customer data or intellectual property were to be exposed.
