

OT Systems ET1111PpH-S-DR hardened Ethernet media converter

Technical Specification

Make	OT Systems	
Company	IDEMIA	
Model code	ET1111PpH-S-DR	
TX/RX	TX	
Physical Specifications	Weight g: 250 Dimensions mm: 96 x 80 x 31	
Electrical Specifications	Power Consumption: 36 W Voltage: 48 ~ 57 V DC, PoE	
Environmental Specifications	Operating Temp °C: -40 ~ +75 C (-40 ~ +167 F) Operating Humidity %: 5 ~ 95	
Additional info	OT Systems ET1111PpH-S-DR is a hardened 100Base-TX (PoE+) to 100Base-FX SFP Ethernet media converter. It supports IEEE802.3at PoE+(30W), Full/Half duplex, Auto MDI/MDI-X as well as external 100Base SFP. It features LED indicators for network diagnostics.
